Google Classroom Notifications
Year 3-11

Thursday 5th September 2024

Dear Parents,

As many of you are aware we began using google classroom to share information with pupils and as a way to record and share homework in a clear format that all can access. We have a short slide show on our school website explaining how to monitor what has been added to your child's classroom.

The two options are as follows:

1. Access your child's classroom using their school email account and password and you can see what has been added.
2. You can be signed up to receive notifications these will initially be weekly but you can change this to a daily notification when you receive your first weekly notification..

If you would like to receive the notifications which will identify when work/homework has been added please can you complete the form below and we will get your email address linked to your son/daughter's account.

If you require any help or support in accessing Google Classroom please don't hesitate to contact us.

Best Wishes

Miss L Adams

✂.....

Pupil Name _____ Year: _____

I would like to receive notifications from Google classroom to identify when homework has been set for my son/daughter.

The email address I would like to use is _____

Signed _____ Date _____ -
