

GCSE Results – Summer 2022

We are very pleased with our pupils results this year. As a non-selective school our pupils have worked hard to achieve the best possible results they can. Completing your GCSE's is always a challenge but the Pandemic has provided many extra challenges to overcome. They are the first group to sit their exams formally since the pandemic began.

We wish all our 2022 cohort well for the future and feel sure that the skills they have learnt at St Piran's will provide them with the foundations for their future learning and their chosen careers.
